Voices of Our City Choir reconnects
San Diego's unsheltered neighbors with hope
and housing through the healing power of music,
individualized care, and advocacy.

SPONSORSHIP OPPORTUNITIES

Thank you for your interest in supporting Voices of Our City Choir's inaugural World Music Day concert.

Our internationally recognized “rhythm-and-blues-soul-funk” performance ensemble reconnects San Diego’s unsheltered residents to hope and housing through the healing power of music. Since 2017, we have performed publicly 100 times, from the streets of San Diego to the stage of NBC’s ‘America’s Got Talent’.

Every performance is an opportunity for the audience to challenge their own perceptions of homelessness, and to unite over all we have in common—rather than our differences.

Sponsorship supports Voices of Our City Choir's unique, effective movement in the homelessness epidemic. Your support fosters radical hospitality through friendship, song, sobriety, and joy. We look forward to exploring a partnership with you to celebrate the power of music.

Thank you!
